Allowable Subject Matter

Claims 1-18 are allowed over the prior art of record.

Examiner's Reasons for Allowance

The following is an examiner's statement of reason for allowance:

Regarding claim 1, the prior art of record neither shows nor suggests a color cathode ray tube comprising all the limitations set forth in claim 1, particularly comprising a panel having aspect ratio about 4:3 and a diagonal length UDS of a viewable image size of the panel is less than 520mm and wherein $0.44 \leq \text{OAH/TOR} \leq 0.56$, where TOR is distance between an end of the deflection yoke adjacent to the panel and a coupling surface between the panel and the funnel, and where OAH is distance between center of the outer surface of the panel and the coupling surface between the panel and the funnel.

Regarding claim 8, the prior art of record neither shows nor suggests a color cathode ray tube comprising all the limitations set forth in claim 1, particularly comprising a panel having aspect ratio about 4:3 and a diagonal length UDS of a viewable image size of the panel is greater than or equal to about 520 mm and wherein $0.41 \leq \text{OAH/TOR} \leq 0.74$, where TOR is distance between an end of the deflection yoke adjacent to the panel and a coupling surface between the panel and the funnel, and where OAH is distance between center of the outer surface of the panel and the coupling surface between the panel and the funnel.

Claims 2-7 are allowed for the same reason as claim 1 for their dependency status from claim 1.

Claims 9-13 are allowed for the same reasons as claim 8, for their dependency status from claim 8.

Reasons for allowance of claim 15 are presented in previous office action.

Claims 16-18 are allowed for the same reasons as in claim 15 for their dependency status from claim 15.

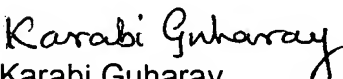

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
